

Schoolbooks are available in local bookshops. The College has an arrangement with Opening Minds Educational to help parents with their schoolbook lists. To order online with www.openingminds.ie click the link on the top of your booklist.

The school is once again facilitating parents with the option of free delivery to the school. To avail of this option you must order by the 6th of August and you must arrange for collection of your books on Thursday 17th August from 10am – 12 noon. **Books will not be held in the school so please make arrangements for someone to collect your order if you are unavailable on that date.**

As previously advised, **financial assistance is available for the purchase of your schoolbooks.** You can apply for assistance by filling in the book grant form which is available on the school website and emailing it to accounts@stpaulscollege.ie
